Look at these 'Before and After' pictures!

"Future Medicine will be the Medicine of Frequencies."
- Albert Einstein -

Before and After
2 year old dog w/
cancerous growth on lip
after wandung for 2-3 wks.

Notice the dark
spot on dogs back
from a skin
infection. Vet said
it was permanent.
After a few months
of 'wandung' a few
minuter per day the
spot is GONE!

Day 7 on antibiotics
necrosis continues

4 days after wandung

This was at day 12 in self
isolation at COBOURG
hospital very scary

2 days after wandung

Day 6 of wandung !
Pretty impressive seeing
as skin takes 30 days to
turn over

One week Monday

This is a 'Nose ring Gone BAD!'
From possible amputation to almost healed after one week of 'wandung'!

Psoriasis after roughly one
month of 'wandung'!

M.D. said leg on left would never get better.
Right - after about a week of 'wandung'!

Varicose veins
before therapy with
iTeracare device.

Varicose veins After
one month therapy
with iTeracare
device.

Plants love it too!
